Same Class!

July 24, 2009

The story is told of a lady who went to a dentist one day. As she was waiting in the chair, she noticed from a certificate on the wall that the dentist, an older looking man, had graduated from the same college from which she had graduated.

So she asked, "What class were you in?" He said, "The class of '72." "You're kidding," she said. "That was my class!" To which the dentist said, "What subject did you teach?"

Ouch! Isn't that just like us though. What we see in others, we just cannot see in ourselves. Better than being able to see ourselves as others see us, is the ability to see ourselves as God sees us?

Don't deceive yourself. You can see yourself as one thing, when God sees something entirely different. Proof? Give Revelation 3:1 a read. When God looks at you, what does he see?
