**WITH GOD**

- Where did you come from?
  - (Ps. 90:2; 93:2)
- Why did you create man?
  - (1 John 4:8; Acts 17:24-25)
- How do you love the sinner while hating the sin?
  - (1 Tim. 1:13)
- Is Jesus coming back in my lifetime?
  - (Mt. 24:36)
- Am I saved?
  - (Romans 8:16)

The point of this lesson was to emphasize that many of the answers we seek from God have already been answered and are recorded in the Bible, awaiting to be discovered.
