

- The church needs to be a “safe” place.
- We make it safe by:
 - Our Love (1 Corinthians 13:1-13).
 - Our Vision (Luke 7:44).
 - Our Commitment to Truth (Ps. 119:105; John 8:32).

Let's be that church that:

- Removes the elephants,
- Sees people as genuine seekers,
- And tackles difficult, relevant questions with love & truth.
