

Jesus' Return

MAY
21

What Some Say Will Happen on May 21, 2011

- Jesus will return at 6:00 p.m.
- The righteous will be raptured, while the wicked will endure tribulation until October 21.
- This prediction is based on mathematical calculations contained in Scripture.

Problems With This Prognosis

- The issue of time and God.
 - (2 Peter 3:8)
- How to approach the text.
 - Literal or Figurative.
- Marks of a false prophet.
 - (Deuteronomy 18:20-22).

What The Bible Teaches

- Jesus is coming back (Acts 1:11; Mt. 24:44).
- The time is a mystery (Mt. 24:36,24).
- No signs will be given (Mt. 24:37-39; 2 Pet. 3:10).
- Creation will be destroyed (2 Peter 3:10-13).
- The dead will rise (John 5:28-29); the living will be changed (1 Cor. 15:51-52); and all will be judged (Mt. 25:31-46).
