

THE CHALLENGE OF WORSHIP

1 Timothy 2:1-15

AUTHORITY

- Some are now arguing that one need not have authority in worship.
- Some argue that worship is unregulated.
- If unregulated, how can it be done wrong?
 - Matthew 15:8-9
 - Acts 17:23; Colossians 2:23

Colossians 3:17

SELFISHNESS

- “I didn’t get anything out of it...”
- Worship is about offering, not receiving.
- What preparation do we make for worship?
- Contemporary -vs- Traditional

SPIRITUALITY

- In the minds of many, feelings define spirituality.
- However, God’s word defines spirituality (1 Corinthians 2:6-16)
- (Psalm 29:2) The beauty of holiness or the holiness of beauty?

TRUE WORSHIP

- John 4:24
 - The proper object – **God.**
 - The proper standard – **Truth.**
 - The proper attitude – **Spirit.**
