

NOAH

What Really Happened

(Genesis 6-9)

“What I’d tell people is it’s very important to us that nothing we actually did directly contradicted the Genesis story. There are some places where people think we did, and I’d just say, ‘We didn’t.’ It was all grounded somewhere. It wasn’t just the Genesis story the way you expected it. But it’s grounded.”

Lessons From The Real Story of Noah

- **God's Grace Doesn't Mean Our Ease.**
 - (Gen. 6:8; 2 Tim. 3:12).
- **Noah Had A Faith That Persevered.**
 - (2 Pet. 2:5; Gen. 6:3; Heb. 11:7).
- **God Won't Abandon The Faithful.**
 - (Gen. 6:20; 7:1; Matt. 28:20).
- **There Is A Limit To God's Patience.**
 - (Gen. 6:5-7; Heb. 10:28-29).

God is gracious, but he will not tolerate rebellion forever. As it was in the days of Noah, a day of judgment is coming.

Are you in the ark of safety?
