

The Ripple Effect

Of Faith (Hebrews 11)

- Hebrews 11
- Notice how many times the phrase, “by Faith...” is used.

- It all builds to a crescendo v. 32!
 - What more shall I say?
- There is a “ripple effect” to the gospel – that’s why we’re here today.

- **Hebrews 11 - Abraham**
- **Abraham's faith had a "ripple effect."**
- **We are his descendants (Gal. 3:29).**

- **Trust when you don't know where.**
- **Trust when you don't know how.**
- **Trust when you don't know when.**

**Make sure your faith
makes waves
in the lives of others.**
