Think & Do Better

Framework for Resolutions

- Begin With self-examination (Ps. 119:59).
- Appeal to the proper source (Ps. 119:59).
- Respond without delay (Ps. 119:60).

The Works of God – Inspire Us

- Psalm 8:3-4.
- When we consider all the works of God, we cannot help but be awe struck by his matchless power!

The Ways of God – Humble Us

- Psalm 119:15.
- When we consider the character of God, we cannot help but be humbled in His holy presence.

The Word of God – Challenges Us

- Psalm 119:97.
- When we consider the commandments of God, we cannot help but be challenged by noble nature of his commands.

The key to doing better
is thinking better.

As you begin this new year, do so by
meditating upon the works, ways,
and words of God.
